RESPONSE TO NOTICE TO FILE CORRECTED
APPLICATION PAPERS

To: Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

From: David G. Latwesen (Tel. 509-624-4276; Fax 509-838-3424)
Wells St. John P.S.
601 W. First Avenue, Suite 1300
Spokane, WA 99201-3828

The Notice to File Corrected Application Papers (referred to hereafter as the "Notice") indicates that applicant failed to comply with the requirements of 37 CFR §1.84(a) for filing color drawings, and specifically that applicant failed to provide: a Petition; a Petition Fee; 3 sets of color drawings; and a color drawing paragraph.

Applicant respectfully submits that the Notice is in error, and that all of the requirements of 37 CFR §1.84(a) were met at the time this application was filed. Enclosed is a copy of a transmittal filed March 24, 2004 which evidences that the

Petition, Petition Fee and 3 sets of color drawings were filed; and also enclosed is a copy of a postcard stamped by the Patent Office and evidencing receipt of the Petition, Petition Fee and 3 sets of color drawings. The color drawing paragraph required by 37 CFR §1.84(a) can be found at paragraph 0016 of the specification filed by applicant on March 24, 2004.

Although the Petition and 3 sets of color drawings were previously filed on March 24, 2004, Applicant is enclosing herewith the 3 sets of color drawings and a copy of the petition in an effort to expedite prosecution.

The petition fee under 37 CFR §1.84(a) has already been paid, and so Applicant is not resubmitting it. If the Examiner feels that the petition fee was somehow not received by the Patent Office in spite of the stamped Postcard indicating otherwise, it is respectfully requested that the Examiner call the Undersigned (David Latwesen) at 509-624-4276 to discuss this.

The color drawing paragraph requested by the Examiner is not being added by amendment, in that such is already present in the application at paragraph 0016.

The Notice indicates that this application will be allowed to issue once the requirements of CFR §1.84 are met. For the reasons discussed above, such requirements are believed to have been met, and applicant therefore respectfully requests that this application be allowed to issue.

Respectfully submitted,

Dated: 5/4/07
